

District 1 Voice of Democracy Winner **Hagan Williams** sponsored by White River Post 2571, White River Jct Vermont

Hagan Williams is a junior from Norwich. He participates in many clubs and activities and loves hiking, rowing, snowboarding, ancient history, art, linguistics, and astrophysics. He has a great interest in national and global issues but thinks it's important to act locally. He spends his summers volunteering for the Vermont Youth Conservation Corp both as a farmhand and on the Conservation Crew. He is either tending chickens, mucking out the pig stalls, and planting and harvesting food shares for local families in need or in the woods working clearing out invasive species and building and rebuilding Vermont's trails (something he started doing in elementary school).
